Auction Mart

Prices were lower on steer and heifer calves as well as on feeder steers and heifers at last Saturday's sale in the High River Auction Mart, but were still too high to attract export orders.

The advantage of indoor cover, clean cattle checked by veterinarians and carry in the reputation which the district enjoys of producing quality stock, all have combined to keep prices on a wavering cattle market comparing favorably with other sale centres.

Last week's was the largest Saturday sale since the Auction Mart opened, with 51 sheep, 287 hogs and 593 cattle sold.

Good steers sold up to \$25.00, heifers to \$22.70 and cows to \$14.50 per hundredweight.

Light feeder cows brought to \$17.50 with feeder steers to \$22.50. Steer calves sold up to \$21.50 and heifer calves to \$22.50.

Weaner pigs brought from \$4.00 to \$7.50, feeders from \$3.00 to \$21.00 and sows from \$3.00 to \$40.00 per head.

Local Items

The Senior Citizen's Night, which was cancelled because of inclement weather last week, will be held on Nov. 30.

A bake sale will be held on Sat., Nov. 28, at 2:30 p.m., in the Legion Hall. Sponsored by Good Deeds W.I.

Friends of Mrs. Wm. Peters will regret to learn that she suffered a recurrence of her illness, while visiting in Calgary last week. She was brought to the local hospital on Saturday.

Miss Joyce Marcellus of Innisfail, formerly on the staff of the Vulcan schools, spent the weekend in Calgary with Miss Hazel Cameron and Miss Marion Mackay.

Miss Maryanne Crabb spent the weekend with her brother, Laverne and his wife in Calgary.

THE WEATHER

A short-lived snowstorm, accompanied by high winds, struck the district Monday evening, again covering the ground with snow on top of what remained from the last six-inch snowfall. Temperatures of 10 to 15 above were forecast for Wednesday of this week.

Commissions are not paid on arguments won, but on sales made.

To become a champion, fight one more round.

The Cenotaph

No block of stone insensate, cold,
But symbol of devotion high
Where names of comrades are enrolled,
Forever absent, ever nigh;
Where we on this November day
In gratitude and faithful love
A tribute to their courage pay
With thankfulness to God above.

No block of stone unfeeling, mute,
But after in the public place
Where we may all once more refute
With steady will and patriot grace
The posturing of schemes unjust,
Oppressions dire in every guise,
Vast, ugly tyrannies upthrust
Which threaten ways of life we prize.

No block of stone, but focal point
Around which memories entwine,
Where hallowed pride and hope anoint
And simple glories ever shine,
Where harmonies their balm convey,
United in a common prayer,
And gentle tears are soothed away
In sympathies we give and share.

Ask For County Area Game Warden

The Vulcan and District Fish and Game Association has had their request for a full time game officer to serve the County, included in a list of recommendations from Southern Alberta clubs.

Club president Bill Holton and executive member Montie Findlay presented the proposal at the Lethbridge meeting of district clubs on Nov. 1. It was included with 11 other resolutions which will go before the annual meeting of the Southern Alberta Associations.

Text of the Vulcan request which was sent to the Honourable Norman Willmore, Department of Lands and Forests Minister of the Provincial Government, is as follows:

Due to the greatly increased lake water surface in this area, there is an apparent increase in waterfowl flights.

A combination of conditions has led to our present County-wide increased pheasant population, and increasing numbers of Hungarian partridge.

These factors, combined with the remoteness of our area from regular Game Officer Control, have resulted in a greatly increased hunting pressure by both resident and non-resident hunters.

Whereas this association is shocked by and alarmed at the flagrant disregard of the Game Act and Regulations by both resident and non-resident poachers posing as sportsmen, as observed by our membership and reported by numerous residents; particularly in regard to out-of-season shooting, exceeding of bag limits, and trespassing — the Vulcan and District Fish and Game Association urgently request the immediate appointment of a full time Game Officer for the County of Vulcan.

Other local groups and individuals contacted for support of the resolution were Champion and Carmangay Fish and Game Associations, Vulcan Canadian Legion, Vulcan Board of Trade, Hon. Rev. Peter Dawson, M.L.A., E. G. Hansell, M.L.A., and the County of Vulcan.

The game officer subject and big game hunting will come up for discussion at the November 20 meeting of the Vulcan Association. It is hoped to have films pertaining to the principal topic, big

Church of Christ Young People Win Trophy

Twenty-seven teen-agers of the Vulcan Church of Christ, accompanied by Mr. and Mrs. Tony Pearce and Doug Smith, journeyed to Calgary last Friday to take part in the Fall Conference of the Prairie Young People's Association of the Churches of Christ. This conference included delegates from Saskatchewan, Montana and Alberta. These conferences are one of the highlights of the Young People's activities and in them their leaders seek to broaden their acquaintances, train them in leadership and strengthen their lives in true Christian living.

Friday evening featured a get-acquainted time, sing-spiration and a devotional and closed with a message.

Saturday morning saw a good crowd on hand for the business meeting and the election of new officers. Following a free afternoon the conference banquet was held with over 175 in attendance. This was followed by the evening session. Sunday saw the regular church services in the morning and in the afternoon there was a panel discussion. The final session was held on the Sunday evening, when the Vulcan Young People put on the devotional for the evening and at the close were awarded the trophy for the best devotional of the weekend. The session finished with a Baptismal Service conducted by Dr. E. G. Hansell, who is well known in Vulcan.

The cup won by the Vulcan Group will be on display at the church this coming Sunday evening when the group will present the same devotional.

If success turns your head, you're facing the wrong direction.

One way to get along with some people is to get along without them.

game, for that meeting. Also authorization has been given for the purchase of a sleeping bag to be raffled during the evening.

Production Test Planned

Airport Wells Available For Town Water Supply

According to information released this week by Dr. Lawrence E. Kindt, M.P., for Macleod, the two water wells located about five miles west of Vulcan and formerly used to supply the Vulcan Airport during the war years will be made available to the Town of Vulcan through the Crown Assets Disposal Corporation in the near future.

At the request of the town, Dr. Kindt took up this matter with the Department of National Defence, which has now stated that the wells are no longer required by the department. The wells are complete with pumps and at one time served an airport population of about 2,000.

Plans are now being made by town authorities to have the pumps pulled and repaired in order that a two-week production test can be run on the wells and to have an analysis made of the water. According to present available information, the water is of much better quality than that produced by the wells in town, being relatively free of Glauber's salts and soda.

Piping the water to town from the two wells would require a major expenditure of possibly \$50,000 and a thorough test of the production capacity of the wells and engineering advice is required before the town takes definite action to acquire the wells.

Calgary visitors last week were Mrs. Frank Sellars, to visit her mother who is ill; Mr. and Mrs. Alex Eliuk to visit their daughter, Donna in hospital; Archie Ferguson on business.

Due to the lack of parent support and the scarcity of leaders, the activities of the Brant-Ensign Scout-Guide Association will discontinue. It was decided at the meeting that if the parents wish the Scout-Guide movement to resume, they may contact Mrs. Eileen Kennedy, secretary, before Nov. 23. Winter's a Little Early

THE OWNER of this station wagon, parked in front of the Dobbs Hotel one mid-morning last week, must have taken a quick look at the dismal prospect and decided to go back to bed and sleep out the storm. Such sights are be-

coming all too frequent for this early in the winter season, and they make the prediction of the Rocky Mountain House Indian Chief about a mild winter, a little hard to take.

Three Events

Curling Season To Start Nov. 16 With Mixed 'Spiel

The Vulcan Curling Club will start off the 1959-60 season on Monday, Nov. 16, with a mixed bonspiel. There will be three events and curling will only be in the evenings and Wednesday afternoon. If the entry is large the first daily draw may start at 5:00 or 6:00 p.m., with the entry fee being \$2.00 per person.

Anyone wishing to enter can contact Ray Wellman or John Wolfe or enter their names on the bonspiel sheets in many of the stores in Vulcan.

The waiting room is to get another face lifting this year and the old coal furnace is being replaced by gas, so with these continued improvements, President Fred Mensinger is expecting another banner year at the Vulcan Curling Club.

Regular Meeting Women's Society

The WWSW of the Evangelical United Brethren Church met at the home of Mr. and Mrs. Eric Deimert on Oct. 21. At this meeting everyone was to bring a friend. The president welcomed the visitors after each one had been introduced. Mrs. Helanda Hartung was in charge of the devotions and opened the meeting by reading Isaiah 55. Rev. G. F. Wuerfel led in the opening prayer, after which a hymn, "Christ the Solid Rock," was sung.

The program centered around "Missions in Kentucky," several women taking part, read portions on the work done and progress made by some of the churches in Kentucky. It refreshed memories of the missionary picture, "Go Tell it on the mountains," which was shown at the church the Sunday evening before. Rev. D. Sipe of Calgary, brought a short message based on Mark 14:3-9 inclusive. He commended the women on the wonderful work done by them. The hymn, "Whosoever Will, May Come" was sung, after which Mrs. G. F. Wuerfel led in prayer.

Mrs. Melita Lebsack presided

over the business. Roll was called to which 12 members responded. There were 140 pounds of used clothing sent to Missouri mission centre. A letter of acknowledgment and thank you from the "Children's Fund" of used clothing, Missouri was read by the secretary, also a certificate of recognition and appreciation for a previous package of 130 pounds of used clothing. It was suggested that Mrs. Esther Becker get in touch with Miss Foulkner, missionary among the Indians, requesting that she be guest speaker at the Thank-offering meeting to be held on Nov. 22, at the church in the evening.

The president thanked the ladies for their part at a joint meeting with the Youth Fellowship at a recent Sunday evening service. Mrs. Helen Schierman reported and distributed stewardship covenant cards and Fellowship of prayer cards, to be signed by those who wished to. It was decided that everyone keep their last year's prayer partners. The president handed out sheets of paper which stated the needs of "Guthrie Memorial Hospital, Bambar, Nigeria — Rodifunk, Sierre Leone and a Layette. Articles were gathered to be packaged and sorted before the next Sunday.

A letter was read from the Vanstones, Manila, Philippines. There were four sick visits and 18 cards sent during the past month. The treasurer, Mrs. E. McIntyre and Mrs. Freda Lebsack reported a little gift was presented to Mrs. E. McIntyre for the little new-comer to the family, Mrs. G. F. Wuerfel on behalf of the WWSW members presented a going away gift to Mrs. Freda Budd and with it best wishes. Mrs. Budd responded very fittingly. Mrs. Dorothy McIntyre and Mrs. Freda Lebsack thanked their secret pals for cards and gifts.

The doxology was sung, after which a delicious lunch was served by Mrs. E. Deimert and Mrs. A. Schierman. The next meeting to be held at the home of Mr. and Mrs. Henry Hill.

HALLOWEEN IS OVER but the bags of candies, nuts and apples probably live on in most homes so the above picture is not too far out of date. Three of the many

masquerading youngsters, Nancy, Brian and Jerry Deglow of Vulcan are shown as they made their rounds of the town.

Commissions are not paid on arguments won, but on sales made.

Save Your Grain Crop

Take Your Grain Crop Off as Fast as Possible
and Dry It on the Farm for **SAFE** Storage

Form a

Grain
Dryer
Club

in your district

and have from six to a dozen farmers co-operate together in operating a dryer. By arranging a dryer club the farmers can all take off their crop as fast as it is fit to go through the combine and the drying can be done for each member of the club during the fall or winter months. All the members of the club can rest assured that they are safe to get their crop off as fast as possible without spoilage of grain by heating.

Only one hundred dollars investment by each member of the club will finance the dryer and the balance can be carried over a period of three years. It is quite possible for the dryer to earn enough in one season to fully pay for itself by doing custom drying.

SEND COUPON RIGHT TODAY for full information on how to organize a Grain Dryer Club. The Cropard Super "40" Grain Dryer can dry as high as 2000 bushels of grain per day.

DRY AS YOU HARVEST

The cost of drying grain on the farm is approximately two cents per bushel to take out up to ten percent moisture. Does not have to be filled to start drying.

Thousands of these portable farm dryers are already operating in Canada and the United States.

To Encourage
Good Seed Grain

Now in its 55th year, the Canadian Seed Growers' Association has reason to be proud of its achievements since the turn of the century and the contribution it has made towards the production and distribution of high quality seed that is pure as to variety. It became clear several years ago, however, that, in order to meet recent trends and developments in the production, processing and merchandizing of seed, certain changes would probably have to be made in policy and procedure.

These changes are now taking shape, the necessary authority for carrying them out being embodied in the new Canada Seed Act before Parliament. This Act will provide for a single body—the C.S.G.A.—to act as the sole pedigreed agency for Canada, a simplification of the grades of pedigree seed, possible changes in the nomenclature for classes of seed and, to some extent, a change in the different uses to which different classes of seed are put. When the new program is in full operation, one organization will be administering it from start to finish and the end product will be the production of a single class of seed, with a high grade standard, that is to be used for crop improvement purposes.

One of the most important underlying reasons for the proposed changes was the fact that even today only a relatively small percentage of the farmers in Western Canada use Registered or Certified seed — this, despite the best efforts that have been put forward not only in the growing of pedigree seed but also into educational campaigns to encourage its use. High hopes are held that the changes referred to will assist in making more quality seed available to a greater number than at present, without in any way changing the basic principles of pedigree seed production.

were sung to conclude a very enjoyable evening.

Letters to the Editor

To the Editor of The Advocate,
Dear Sir,

I would like to thank the management of this paper for carrying a correct report of my address at the Gas Flaring Ceremony. However in the same issue, I notice the Vulcan Town Council is being taken to task for their tree planting negligence. Perhaps it might be of interest to the citizens of Vulcan to know that this matter was not left undone because of lack of interest or carelessness. A complete survey of the needs of the town in this regard has been made by a party who is considered an authority on trees, plants, etc., but there were other problems, that in the opinion of the Council, came first.

To mention only a few:—Feeling that the water situation could be improved, your Council has been corresponding throughout the summer of 1959 with the Dominion Government through our good friend and representative, Lawrence E. Kindt, M.P. I now have on my desk a letter from Mr. Kindt dated Nov. 4, 1959, which states that the two water wells formerly used by the Department of National Defence to supply water to the Vulcan Airport, are now available if the town and people of Vulcan wish to purchase them from the Crown Assets Disposal Corporation at Ottawa. Should it be considered advisable to do this, ditching and pipe would cost something, and would come ahead of trees in the streets.

After the regular business meeting, the ladies joined the FUA Group for the annual auction sale, where auctioneer Bob Hill managed to raise over \$47.00. The hostesses then served a lovely lunch, these being Mrs. Winton, Mrs. Seeley and Mrs. Hill.

Then there was a sewage disposal system that was not complete, and might call for an expenditure.

Then it was found that the roof of the Skating Rink was badly in need of repairs, \$1,500.00, with a five-year guarantee.

These were only a few items that had to be thought of in addition to every day care of the many things for which the town is financially responsible.

It was not expected that the uphill effort to acquire Natural Gas would put us in the "Red" to any extent, but how far can we see into the future? At any rate, this effort was as Mr. Patterson said, "sustained in a nice way," but sustained until now this is an accomplished fact.

While the members of the 1959 Town Council are not unaware that trees, (well cared for) add beauty, perhaps these gentlemen may be pardoned for putting what they consider "First Things First."

In closing, I would like to thank my fellow workers and the Vulcan citizens for their co-operation and understanding during the few short years I was privileged to occupy a position of some responsibility in Vulcan.

ARROWWOOD

F.W.U.A. Meeting

The F.W.U.A. and F.U.A. held a joint meeting in the UFA Hall on Wednesday evening. The election of officers took place at the women's meeting, with those elected as follows: Secretary, Mrs. Bob Hill; treasurer, Mrs. N. Thorsen; 1st vice-president, Mrs. Abbie Williams; 2nd vice-president, Mrs. Eleanor Ward; Sunshine, Mrs. R. Culp and Mrs. W. Steiner. Directors, Mrs. J. Jacobsen, Mrs. M. Norton, Mrs. B. Ingraham, Mrs. A. Clements and Mrs. Agnes McBride.

Mrs. R. F. Williams gave an interesting report on the history of this local which she had compiled from records available. The local was organized in 1923 and was named after the Buffalo Hills, and changed later to the Arrowwood local in 1930. After amalgamation the name FWUA was taken.

Mrs. M. Ward read the news flashes and Mrs. M. Norton read a bulletin on home crafts. Mrs. Eleanor Ward reported that the committee put in charge to decide what to do with the old Junior UFA funds, had decided to give one half to the FWUA and the other half to the Lions Club to help put up another kitchen at Little Axe Park.

After the regular business meeting, the ladies joined the FUA Group for the annual auction sale, where auctioneer Bob Hill managed to raise over \$47.00. The hostesses then served a lovely lunch, these being Mrs. Winton, Mrs. Seeley and Mrs. Hill.

The re-organization meeting of the Arrowwood 4-H Beef Club was held at the home of Hurley Williams, Tuesday, Nov. 3, with 17 members present.

An election was held with the new officers elected as follows: President, Bobby Cockwill; secretary-treasurer, Carol King; club reporter, Jack Williams; club leader, Beverly Campbell. The club leader is Leigh Williams.

Nadine Arney gave a report on last year's activities. Raymond Strackey and Linda Arney tied for the best kept records and will both receive a cup. It was announced that Nadine Arney is the efficiency trip winner to Olds.

The next meeting is to be held at the home of Leigh Williams, Monday, Dec. 7. The meeting was adjourned and all took part in a game. Later a lovely lunch was served by Mrs. Grace Williams.

MAJORVILLE

Our Indian Summer came to a very abrupt end on Monday evening when cold winds and snow roared in from two directions. Winds fortunately were not too strong, so drifting was confined to spots on the roads where weeds grow and to buildings around the yard. Sunflower harvesting was stopped for the time being. Blue Jays have been noticed around the trees during the past few days so either they were left behind during the migration of their mates or winter is not here to stay.

Members of the FWUA please note that the November meeting will be held at the home of Mrs. Sandy Henry instead of Mrs. Wayne Monner as stated in the report of the last meeting. Members are also reminded that Christmas presents for patients in mental hospitals should be handed in at this meeting.

Mr. and Mrs. Donald Campbell of Elnora were weekend guests at the home of the latter's brother-in-law and sister, Mr. and Mrs. Bartch. Another guest at Bartch's this week was their daughter, Mrs. B. Culp and baby daughter of Arrowwood.

Colin Campbell left on Thursday for a visit with his brother-in-law and sister, Mr. and Mrs. Alex Jacobs at Kaslo, B.C.

Recent prize winners from our neighborhood in community efforts are Mrs. Ray Wellman for her costume as a Mexican senora at the masquerade in Milo, and Mrs. Stanley Godkin for winning the low lady score in the home and school telephone whist drive.

Forecasting another wedding in the district is the report that Junior Bertschy has started building a new house near the homestead of his parents.

Mr. and Mrs. Jack Deltz accompanied by Mrs. Freda Prentice and Mrs. Chester Thompson went to Claresholm on Saturday to attend

Blessed is the man that walketh not in the counsel of the ungodly, nor standeth in the way of sinners, nor sitteth in the seat of the scornful. But his delight is in the law of the Lord; and in His law doth he meditate day and night.

—Psalm 1:1-2
This blessed man is God's ideal of what man ought to be in this scene. It finds its perfect fulfillment in the holy behavior of our Lord Jesus Christ, who ever did the things that pleased the Father. We in our measure are called to walk as He walked (1 John 2:6) according to the example He has left us (1 Peter 2:21). To do this we must be regenerated — "Not by works of righteousness which we have done, but according to His mercy he saved us, by the washing of regeneration, and renewing of the Holy Ghost."

—Titus 3:5

Shower Honors

Margaret Winch whose marriage to Calvin Seabeck of Carmangay is an event of Nov. 28, in Milo United Church was honored at a community shower in Liberty on Friday afternoon.

A contest "creating a veil for the bride" was won by Irene Kiemle. Joanne Heather presented the gaily decorated umbrella filled with gifts to Margaret who was seated under a canopy of parasols and balloons. The latter, on being burst showered the bride to be with confetti.

Darlene Winch, the Seabeck's cousin and Grace-mary Seabeck, the groom's sister, assisted Margaret in unwrapping the many lovely and useful gifts. Joanne Heather had charge of the guest book.

Hostesses were Mrs. Bartsch, Mrs. George Heather and Mrs. Lewis Greaves who were assisted by several ladies of the district in serving a lovely lunch. Mrs. George Elder, Mrs. Clara Kingsmith, Mrs. Gordon Boyd and Mrs. Stan Hagg were guests from Queenstown. Mrs. Melvin Beagle came from Arrowwood to attend the shower.

Samuel de Champlain founded Quebec city in 1608 and died there on Christmas Day, 1635; he was buried within the city's walls but the exact location of his grave remains a mystery.
